Cub Scouts of Pack #311 Touring Richton Park Police Village of Richton Park

RICHTON PARK, IL. May 4, 2016 – The Cub Scouts of Pack #311 were given a tour of the Richton Park Police Department on May 3rd, 2016 at 6pm. During their tour, the Cub Scouts learned about the different areas located within the police department and the many tools/equipment utilized by both police officers and the personnel that are essential to completing our duties.

The Cub Scouts had the opportunity to see our speed radars in operation and were able to climb into a squad car and observe all the lights and functions that our patrol cars use. Each one of the Cub Scouts and their parents had numerous questions about law enforcement and how we interact with the community.

Before departing, they all received a bag with various activity books, stickers, pencils, magnets and crayons to remind them of their experience during their police tour. The Cub Scouts of pack #311 were definitely energetic and motivated and it was a pleasure to be able to give them such a positive experience!
