## **Kappa Alpha Psi Fraternity, Inc Presented With Service Resolution Village of Richton Park**

RICHTON PARK, IL. February 22, 2016 – At tonight’s Board Meeting, Village President Rick Reinbold and the Village of Richton Park Trustees presented the Richton Park Alumni Chapter of Kappa Alpha Psi Fraternity, Incorporated with a Resolution for their service to the community.

The social fraternity, who is dedicated to serving the Richton Park community, was founded in 1911 and has been diligent in mentoring and working with high school students in the south suburban area. There are plans to incorporate junior high school students as a part of their mentorship program. Additionally, they positively impact the community by providing college scholarships to deserving college students and high school seniors.

The Richton Park Chapter of Kappa Alpha Psi will be partnering with the Village of Richton Park to host health fairs, food drives and community service events for the elderly. Richton Park is looking forward to further developing this partnership that will ultimately further enhance the community and the lives of the residents.
