Battle in the Burbs 2016

Village of Richton Park

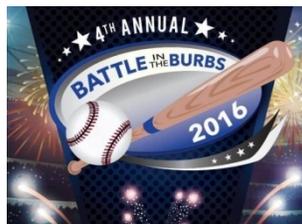

RICHTON PARK, IL. July 28, 2016 – Finally, it’s time for the annual “Battle in the Burbs!” This event brings together representatives from each of the South Suburbs to promote each of our municipalities and to raise money for charity. Featuring your favorite mayors, staff, police and fire chiefs, officers and firefighters, this will truly be an epic 16-inch softball doubleheader. The 4th Annual Battle in the Burbs will definitely be a special one, as all proceeds will go to assisting the recovery of Park Forest Officer Timothy Jones, who was critically shot in the line of duty last March.

This year’s Battle in the Burbs will be a doubleheader, taking place Sunday, August 20th at Standard Bank Stadium, home of the *Windy City Thunderbolts*, at 14011 Kenton Ave. in Crestwood, IL. The first game, at 5:00pm, will be for the South Suburban Mayors and Managers against the South Suburban Police and Fire Chiefs, in an epic match of 16-inch softball. (Last year, featured the Mayors & Managers claiming the thrown from the Police and Fire Chiefs.) A second game featuring the Police Officers versus Firefighters will follow at 7:00pm.

Tickets will be \$10 in advance and \$15 at the gate, and can be purchased at the Thunderbolts box office at Standard Bank Stadium or online at www.wctthunderbolts.com. As always, this is a family friendly day at the stadium. A DJ will be on-site playing great music, and a playground will be set up in the outfield with a jump house for kids. Everyone is welcome and encouraged to attend this festive, community-based event.

Sponsorship opportunities are widely available as well, at one of three levels for this year’s event: Grand Slam (\$1,000), Home Run (\$500), and RBI (\$250).

We hope to see your support, join us in cheering on your community’s teams, and be a part of this very special 4th Annual Battle in the Burbs.
